

WAC.3®

Cockpit
Integrated platform for data assessment, operation and documentation

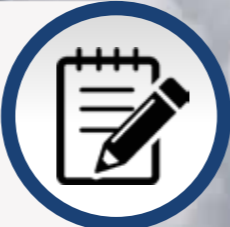

Risk Eval
Workflow and documentation for risk evaluation

Explo Doc
Explosives Inventory

Heli Track
Mobile Tracking for helicopter blastings

Reports
Automatically generated documentation

LIA®
3D Laserscan of snowheight

Avalanche Tower
Preventive avalanche release

Detection systems

Add-Ons

GINA®
Avalanche Detection with geophones

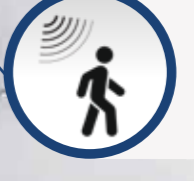

IDA®
Avalanche Detection with Infrasound

LARA®
Avalanche Detection with radar (long-range)

SARA®
Avalanche Detection with radar (short-range)

PETRA®
Detection of people with radar

Webcam
Visual Monitoring

Weather station
Weather (and snow) data
